The Pastor's Corner

April 17, 2022

Dear Parishioners and Friends,

Alleluia, Christ is risen! He is risen, indeed, Alleluia!

On behalf of the Friars and Lay Staff of St. Patrick-St. Anthony, I wish you all a very happy Easter! Today we celebrate the resurrection of the Lord who has redeemed us and given us the hope and assurance of eternal life with him. Our lives as Christians depend completely on this reality – it is the center of our faith. Over the next 50 days the Church celebrates and reflects on the great mystery of our Redemption, so let us rejoice and be glad!

On Sunday, April 3rd, we signed the renewal of our covenant with our Sister Parish of St. Geneviève in Haiti, and the following day I took the documents to the Post Office and sent them on their way. Fr. Dominique Regis, the Pastor of St. Geneviève, is eagerly awaiting their arrival. In the meantime, he sent us this Easter greeting:

*Dear Brothers and Sisters
of St. Patrick and St. Anthony,*

*In Jesus, Easter goes through
death and all its corollaries: sufferings, trials, failures, injustices.*

With the risen Jesus, no one can remain without a horizon for his life, without love in his sufferings, without support in his difficulties.

May the Risen Christ bring comfort to the peoples who are victims of war and may he make his strength of life, peace and freedom felt everywhere! May his Spirit give impetus today to our trust in life and love!

Fr. Dominique Regis

Perhaps you are wondering about the image on the cover of today's bulletin because it isn't the typical image we would expect to see for Easter Sunday. But for me, this image by the Swiss artist Eugène Burnand is one of the most powerful and evocative ways of portraying the effect that the Resurrection had on the people who knew and loved Jesus.

The Catholic blogger Bill Donaghy calls the painting "the visual equivalent of Lectio Divina." As Donaghy notes, "This Resurrection scene does not put us before still figures near a stagnant stone, or figures standing with stony faces in a contrived, plastic posture, pointing to an empty tomb. This scene is dynamic; we are in motion."

Burnand sought to blend the emerging art of photography with oil painting by capturing a "you-are-there" moment much the same way that sports photographers capture the split-second drama of a race. In fact, the Gospel tells us that John won the race to the tomb, but was a gracious winner by allowing Peter to go into the tomb first. From the look on his face in the painting, we might assume that Peter needed a few moments to catch his breath!

Apart from his own mother, the three people who represent Jesus' intimacy with our flawed human nature are Mary Magdalene, who had run to tell Peter and John the incredible news that she

had just met the Risen Lord, as well as the two disciples themselves. This scene represents just a split second of their story, but it also portrays their fears and hopes – the same emotions we all feel at different moments in our own lives.

While the events of the recent past, including the Covid pandemic as well as the horrific siege of Ukraine by Russia, have caused much fear and anguish, our belief in the Resurrection under-girds all our hopes and dreams for a better future. As the cross led to an empty grave, so the sufferings of the present can, if we allow them, become a bridge to a deeper faith in a God who will never abandon us.

May the Lord's resurrection bring you an abiding sense of his closeness, especially in moments of doubt, and confusion. May he, who wished peace upon his frightened followers on that first evening, bestow that same peace and assurance that he is with us always!

Fr. Tim Shreenan, OFM

DEAR FRIENDS IN CHRIST,

"Alleluia!" Christ is Risen! "Alleluia!" With these simple words we proclaim to all the world that death does not have the final word. With these simple words we proclaim our belief in the promise of Jesus Christ that everyone who lives and believes in Him will have eternal life.

Jesus came to deliver this message of hope. It is a message of his self-sacrificing love for us that even conquers death. It is a message that is received and welcomed by some, and rejected by others until the end of time.

Easter is a day of triumph, of great joy and hope, even though we continue to witness the horrific effects of the Russian invasion of Ukraine and the tragedy being inflicted on so many innocent people of all ages, not to mention the many sorrows and sins that are still part of life in this world. But none of these things will ever have the last word. Easter is the definitive message that God has the last word that life will triumph over death, that sorrow and anguish will inevitably give way vindication and joy!

We possess an unshakeable hope because of Jesus Christ. During this Easter Season, as we celebrate the glory of His death and resurrection, let us remember that it

offers us hope, and it gives us comfort. It is in response to divine love that we rejoice as brothers and sisters today, no longer scattered and divided by sin, but united as one Body in Christ. As together we renew our baptismal promises and receive the Holy Eucharist, we become living signs of the redemption of the world, as one Body we proclaim the Easter Gospel for the salvation of the world.

Today and every day people across our Archdiocese give of their time, talent and treasure to help others and bring them hope. This gift of self is evident within our Church and throughout the wider community. Thank you for all that you do to build up God's Kingdom.

As we celebrate Easter you are in my prayers, and I ask God's choicest blessings upon you and your loved ones. He is Risen, Alleluia!

Sincerely yours in Christ,

+ Leonard P. Blair

Religious Education Registration for 2022-2023 Opens on Sunday, May 1, 2022!

The religious education programs at St. Patrick – St. Anthony Church are designed to allow parents to choose not only the best schedule for their young children but also the best learning format for those children. We firmly believe that the parents (and families) are the original and primary educators of their children. For this reason, religious education for children through sixth grade can occur at St. Patrick – St. Anthony Church within a traditional format, a Montessori format (Catechesis of the Good Shepherd) or a family format (Whole Community Catechesis). Our portion of your child's religious education can begin as young as age three.

All students come together in one seventh and eighth grade program so that they can begin to form a cohesive group for our ninth and tenth grade Confirmation class.

9:00 AM to 4:30 PM at the Franciscan Center for Urban Ministry.
Sponsored by The Women of Hope Ministry.

The length of time it takes to walk the labyrinth path depends upon the individual; on average about 30-45 minutes. The labyrinth is made of burlap material and is 35 feet by 35 feet in size. Since it is a sacred circle to be treated respectfully, we ask that you remove your shoes when walking the path. We have socks available. Please keep in mind that children ages 8 and up accompanied by an adult are invited to walk the path.

If you have any free time that day, come for 30 minutes, an hour, or longer - whatever time your schedule allows.
