The Pastor's Corner

July 10, 2022

Dear Parishioners and Friends,

I hope you are enjoying the summer so far, and I have to admit that I'm a bit envious of our parishioners who will be spending this Sunday at Hammonasset Beach State Park! But since I am writing this message more than a week prior to the date of this bulletin, I have no idea what the weather will be like on July 10. Hopefully, it will be as warm and pleasant as it has been in the final days of June.

So, nothing profound or heavy today – just some little news items I'd like to share with you about a few recent goings-on at our parish.

First, Steve Balkun has completed a trio of small projects that he started back in the early Spring. I had asked him to fashion a new Paschal Candle stand and a pedestal for our Baptismal bowl which he completed in time for the Easter season. You may have noticed that he carved into each of them our church's logo. However, they didn't show up as well as I had hoped, so I've asked Steve to give the carvings a gold finish so that they will stand out and be more visible.

The final piece he made is a display cabinet for our Holy Oils which he installed on the wall next to the doors leading into the St. Mary of the Angels Chapel. Many churches now have an Ambry, the technical name for the display cabinet, so that the oils can be visible to the community throughout the year. Ours is a rather simple design, beautifully constructed of mahogany, the same wood used for his other appointments, including the Processional Cross. The Ambry was donated by one of our parishioners in memory of Mary Hunt. The three glass vials contain the Sacred Chrism, used for Baptism, Confirmation and Holy Orders, as well as the Oil of Catechumens and the Oil of the Sick.

During the final week of June, we were one of the area churches which hosted lessons for a Pipe Organ Encounter sponsored by the Greater Hartford Chapter of the American Guild of Organists. These annual events are held throughout the United States to offer young persons between the ages of 13 and 18 an opportunity to learn more about the organ and to be able to hear and play various organs in churches, schools and concert halls. Our Music Director, Gabriel Löfvall, and I were honored that St. Patrick-St. Anthony Church was asked to be one of the sites to hold one-on-one lessons.

Concert Organist John Rose, who retired as professor of organ at Trinity College in 2017, gave several lessons over the course of three days on our two pipe organs, and was thrilled to see and hear our Schantz Chancel Organ, as he was the Schantz sales representative when the organ was originally installed in Christ Church, Avon, back in 1977. Here he is pictured with his POE student Elijah Morris of Newtown, together with Gabe and myself at the Schantz console.

My only wish is that Pipe Organ Encounters had existed when I was in my teens so that I could have had the opportunity to experience some of the wonders of the pipe organ as these young persons have today. Who knows – I could have ended up as your Music Director instead of your Pastor! Don't worry, Gabe, your job is safe! Nevertheless, I am happy to see that young people have such a great interest in the organ, and that they will continue to enrich our worship in the years ahead.

Blessings on your week ahead!

Fr. Tim Shreenan, OFM

A Novel Idea Book Club

A Novel Idea Book Club's book selection for July is *Apples Never Fall* by #1 New York Times best selling Author, Liane Moriarty. This novel looks at marriage, siblings, and how the people we love the most can hurt us the deepest.

Kirkus Reviews states that "Moriarty is a master of ambiguity and also of the small, telling detail...Funny, sad, astute, occasionally creepy, and slyly irresistible." While Jane Harper, New York Times bestselling author of *The Dry* and *The Survivors*, "... loved it. An absolute page-turner with all the wit and nuance that put Liane Moriarty head and shoulders above the crowd. Liane Moriarty shows once again why she leads the pack."

Support our Sister Parish Through *Christmas in July*

Through our Covenant with St. Genevieve parish in Zorange, we committed to and have been able to provide a hot lunch and teacher salaries for the school. Without our support, an academic education with a noontime meal, most likely would not be available. In addition, another challenge is that conditions in Haiti continue to decline, since the 2010 earthquake and subsequent upheavals (political and natural disasters.) Prices for food and other commodities continue to rise.

"Back to School Prep"

As parents and grandparents, we enjoy celebrating milestones in our children's lives. One especially poignant yearly ritual for me is preparing our kids and grandkids with all of the necessities and "extras" for their move up to the next grade every September. Often this includes new outfits, a new backpack, perhaps new sneakers, and stocking up on snack and lunch essentials. The costs certainly add up quickly, especially for larger families.

During visits to Haiti I was always overwhelmed by the poverty, but also the pride of the parents, as I witnessed these children coming and going from school in immaculate and starched school uniforms. Schools require uniforms and parents must pay a local seamstress each time their child requires a new one. Often schools do not provide other basics that we take for granted.

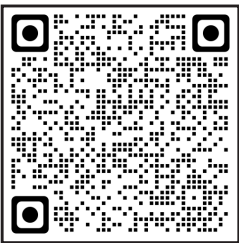

We understand that most Haitian parents cannot afford to send their kids with food for the school day. And, often these kids have had no breakfast or a very meager morning meal. We understand how difficult it is to focus and accomplish anything, when you are hungry.

Please consider supporting our lunch program for our Haitian students, so that all of the students, morning and afternoon attendees, have the nutrition they need to help them concentrate and learn and grow.

-Patti, Sister Parish Committee Member

"A little goes a long way" is a very true saying, for our Christmas in July effort. We offer some additional information to show how far contributions can go. The protein for lunch is typically fish (often Herring) and takes \$29./day to include in each of the 413 meals. A vegetable, often peas, takes \$42./day. The total cost for lunches for students in all grades equals \$2705./month, or \$125./day. Sometimes the pastor, Fr. Dominique, contributes to help ensure a nutritious meal. Can you help in any way?

10:00 AM Mass Survey Results

We are grateful to all who participated in the 10:00 am Mass survey to answer the question of "should masks continue to be required at the 10:00 AM Mass?"

The staff has reviewed the results, read every comment, and discussed your responses. We value the time you spent in sharing your thoughtful comments with us.

The results of the survey were approximately 2:1 in favor of a continued mask requirement for the 10:00 AM Mass for the near future.

We plan to re-evaluate with another survey in the late summer / fall timeframe, and at that time, we can consider together as a community whether the Mass with a mask requirement should move to one of our other weekend Mass times.

If you would prefer to attend your weekend Mass in a Mask-optional setting, please remember that the Saturday at 4:00 PM, the Sunday 8:00 AM, 11:45 AM and 5:00 PM are all Masses that do not require masks.

A Frog Hollow Childhood: A Memoir of Hartford by Lynn Davis

Once a child's fun included an interaction with its environment. Davis writes of a time before technology and computers took over. She recreates a nostalgic reminiscence of the 1940s and 1950s for those who lived in them and introduces the times to those who didn't.
