# The Pastor's Corner

October 9, 2022

Dear Parishioners and Friends,

As today's Gospel about the healing of the ten lepers proclaims a theme of thanksgiving, I find myself feeling very thankful for the blessings of the past week as we celebrated the feast of St. Francis of Assisi. I am particularly thankful for all our parishioners who took part in the various events, but especially for those who volunteered their time and talents to make those events happen.

In his beautiful Canticle of the Creatures, St. Francis praised God for "Brother Wind, and through the air, cloudy and serene, and every kind of weather." For better or for worse, Brother Wind certainly made his presence known! But wind and some rain didn't dampen the enthusiasm of those who made their way to the Blessing of Animals and the Parish Potluck Picnic, both of which had to be moved indoors. It was the spirit that counted, and we all enjoyed the opportunity to come together to celebrate our love for our pets and our love for one another.

With the conflict in Ukraine getting more and more dire each day, we have been asking the question: "How can we be instruments of peace?" One of the responses to that question has involved our Women of Hope Ministry who are holding Peace Vigils outside our church before and after the Masses on the Sundays in October. In this way, we are extending the message of Peace to our members as we gather for worship together. Beautiful signs were created for parishioners and those driving on Church Street to see as they pass by.

Women of Hope are also taking the message of Peace beyond our immediate community with the opportunity to purchase a SPSA Yard Sign after Masses in October. The message on the sign comes directly from the Peace Pole standing outside our church – "May Peace Prevail on Earth".

You can help us take Peace into our greater Hartford area and into your neighborhood. Our parishioners come from over 126 zip codes and it would be wonderful to see our Yard Sign spreading Franciscan Peace far and wide. The offering for the sign is \$15 or two signs for \$20.

Now, you're probably wondering who the old gent is in the photo in the next column. He is Ralph Vaughan Williams, one of the greatest British composers of the 20th century, and his 150th birthday occurs

this week on October 12th. I first became acquainted with his music when I was in college. He wrote everything from great symphonies to familiar hymn tunes, and we will be presenting a festival of his most popular choral music on Saturday, November 5th at 7:00 PM. The choir of St. Joseph Cathedral will join our Gallery Choir, together with Dr. Ezequiel Menendez, the Cathedral organist. It promises to be a wonderful evening of spectacular music that I'm sure you won't want to miss!

Finally, I just want you to know that I will be taking some vacation time over the next few weeks, so there will be a couple of guest columnists to fill in for me while I am away. See you on the 23rd!

Blessings on your week ahead!

We are proud and honored that she has chosen to profess her final vows here this weekend. The Friars, Staff and Parishioners here at St. Patrick-St. Anthony wish you blessings and congratulations.

## Spread A Message of Peace

## An Invitation to Explore the Catholic Faith

There are many reasons to explore, pursue and deepen one's relationship to the Catholic Church. Some do so because they have fallen in love with a practicing Catholic and they are interested in learning more about their partner's faith. Some come from nominally Catholic families, but received little or no religious instruction when they were young and are now seeking to reconnect with their family's faith tradition. Some have no religious affiliation whatsoever, but are experiencing a longing for meaning, spirituality, community, and a sense of purpose in their lives. Some are already practicing Catholics who, for whatever reason, never received the sacrament of Confirmation and desire to do so now. If you or someone you know fits any of these descriptions, then the Rite of Christian Initiation of Adults may be what you or your friend may be looking for.

## A Novel Idea Book Club

Our October book selection is *This is Happiness* by Niall Williams, author of *History of the Rain*. Kirkusreviews.com: “*This is Happiness* is warm and whimsical, sometimes sorrowful, but always expressed in curlicues of Irish lyricism, this charming book makes varied use of its electrical metaphor, not least to express the flickering pulse of humanity. A story both little and large and one that pulls out all the Irish stops.”

Consider joining the discussion on October 20, 2022 at 7:00 PM via Zoom. For more information and a list of upcoming books, please [CLICK Here](#). Contact the office at 860-756-4034 or email [info@spsact.org](mailto:info@spsact.org) if you need the Zoom Link.

## Clare Gallery's Upcoming Exhibit

*Angels in the Dark*, on display from October 20, 2022 to December 1, 2022, highlights the creative, spiritual, and healing work of George Herrick.

Herrick's “*Lasua*” series is a direct expression of his experience dealing with cancer. When he was diagnosed, Herrick fell into darkness, feeling defenseless as he confronted the disease. Through his treatment journey, however, he discovered compassion and support, gaining deep insight into “angels” of creativity.

Herrick's painting process helped him move from the depths of fear into hope, as well as informing his recovery from addiction and depression. In his process of painting, he let his hands be guided by the spirit inside him, allowing his cancer to wield the brush in whatever way it wished. Uncertain at first, he remained committed to the process. One single theme emerged: supportive angels, as healers, guiding him to wellness. Each painting has a story that can be read as a meditation.

Join George Herrick for an in-person artist talk on Thursday, October 27 from 7:00 to 8:30 PM, and a virtual talk on Wednesday, November 9 from 7:00 to 8:00 PM. [CLICK here](#) to register and receive the Zoom link.

## Women of Hope Invite You...

The Women of Hope Ministry is pleased to invite you to a live-streamed AND in-person presentation by **Miriam Therese Winter, Ph.D.** on **Thursday, October 27, 6:30-7:30 PM**. Early on in our parish Synod Listening Sessions, it was clear that one of the major themes emerging was the role of women in the Church. Women, men, and our Religious Education students themselves named the Church's limits on the role of women as an obstacle which needs to be addressed and transformed.

Our report to Pope Francis clearly named this challenge and our desire for change in the institutional Church. [CLICK here](#) to read the Synod Summary report. Realizing that significant shifts in a global institution will take time, “**what do we do as a parish during this threshold time of waiting?**”

We invite you to gather with us, the Women of Hope Ministry, to take a first step. Join us for “**Women of Faith: The Need for a New Narrative**” with **Miriam Therese Winter, Ph.D.** “MT” is a Professor Emerita at Hartford International University, formerly known as The Hartford Seminary. As a prolific author, song writer, professor of Transformative Leadership and Spirituality, Medical Mission Sister, and founder of The Women's Leadership Institute, she is committed to ministry to and for women. As an uplifting and inspiring speaker, come and hear what she has to say!

## From your Synod Team,

We are so grateful for the honest, affirming, and challenging input from parishioners to Pope Francis' Synod. Our Synod Summary report sent into the Vatican captured the thoughtful *reflections on ways that would improve our journeying together as the People of God*. [CLICK Here](#) to read a copy of the Summary. Our Synod journey did not conclude with the submission of the report to Pope Francis. In fact, we view this summary as a 'living document' and we envision our synodal journey as a parish continuing. As we now begin to embody and bring life to improvements expressed in our Summary, we want to collaborate with all of you! **You are invited** to become involved in any of the following opportunities to engage more fully with our Synod experience. We are prayerful and hopeful about the future and we invite you into this ongoing journey.

**Moving forward as a faith community**, please consider attending an upcoming Dialogue Session to share your response to themes in our parish Synod report:

**Wednesday, October 19** on Zoom at 7:00 PM; [CLICK here](#) or call the church office at 860-756-4034 to register and receive the Zoom link.

**Monday, October 24** in-person at 7:00 PM; [CLICK here](#) or call the church office at 860-756-4034 to register.

The Synod Team will continue to tend the core of the Synod spirit; providing gatherings for discernment and growing together spiritually and prayerfully.

Suggestions to the Pope about changes to be made on the global Church level are important to verbalize yet they will take time to implement.

**So, what do we do at the parish level while we wait?**

- The Synod process affords us the potential to transform our hearts for an experience of discipleship steeped in the radical ministry of Jesus. To stay open to this call, ***we must pray. . . and pray together***. The Team will offer opportunities for contemplative prayer and time for reflection and active listening together while we wait.
- ***We are invited to deepen our knowledge about these Synod topics and desired changes***. We will see some of our ministry areas like Women of Hope respond in specific ways.

**This is a critical moment: our empowerment to become educated, spirit-filled, prayerful agents of change.**

**And, the Synod Team is here to help shepherd this process with you as collaborators.**

**We look forward with hope to this partnership with all of you!**

**Religious Education:** Eventhough we have started our classes this fall, there is still time to register. If you or someone you know might be interested in one of our religious education classes, please give them the link to our website: [www.spsact.org](http://www.spsact.org) or have them email [Deb Pelletier](mailto:Deb.Pelletier@spsact.org), our Religious Education Team Coordinator.

As people of faith, we strive to model for your children how to know God's love, how to have a strong relationship with Jesus, and how to live out the call to serve others. Every family is unique and has a different story. Every family is welcome here.

The Faith Formation Team at St. Patrick – St. Anthony is here to support families in the noble, fulfilling, and, yes, sometimes exhausting efforts of Christian family life.

We listen first and walk with every family on this journey. Our goal is to partner in nurturing the mustard seed of faith in each child, walk with every family in preparation and celebration of the sacraments, and to provide a foundation that our children need to lead a life of faith. It is our goal to meet each family exactly where they are, with open hearts and open minds. All are welcome in this place.

To register. Please click or scan the QR Code or email [Deb Pelletier](mailto:Deb.Pelletier@spsact.org) for more information.

## World Mission Sunday: October 23, 2022

In 1926 Pope Pius XI instituted Mission Sunday for the whole Church with the first worldwide Mission Sunday collection taking place in October 1927. The Mission Sunday collection is always taken on the next to last Sunday during the month of October. That day is celebrated in all the local Churches as the feast of catholicity and universal solidarity so Christians the world over will recognize their common responsibility with regard to the evangelization of the world.

*A Memoir of Hartford*

**A Frog Hollow Childhood:  
A Memoir of Hartford  
by Lynn Davis**

Once a child's fun included an interaction with its environment. Davis writes of a time before technology and computers took over. She recreates a nostalgic reminiscence of the 1940s and 1950s for those who lived in them and introduces the times to those who didn't.
