Director's Corner

As Fr. Tim is away this week, he asked me to share an update on the Franciscan Center. The focus of the Center's work as we emerge into a post-pandemic world has been twofold. It partners with others in building the Kingdom here in Greater Hartford and beyond, while rebuilding a sense of community frayed by so many forces these last years. To help chart our path forward, we have reconstituted the Center's Board of Directors. Its members, half 35 and younger, come from varied backgrounds, such as law, affordable housing, finance, homelessness, mental health and youth.

In affordable housing, we partner with Habitat for Humanity on an interfaith housing project in Windsor. There our people work with members of other communities to make affordable housing a reality for four families. Folks enjoy meeting new people and learning new skills. I never thought I would install vinyl siding 30 feet off the ground! Our first two builds were full, but we still have space for 12/10/22. We also helped sponsor the repair of a house earlier this year with Rebuilding Together Hartford.

Early in St. Francis' journey, he heard God call him to rebuild His church. For 17 years, the mission program St. Francis Builds has been doing just that. This program provides a powerful Franciscan experience of the Church in mission as it seeks to rebuild homes, restore lives and renew hope in communities affected by natural disasters, poverty and climate change. In the last six months, members of this community have rebuilt homes in Houma, Louisiana devastated by Hurricane Irma, and constructed new homes in poverty-stricken Tijuana. In January we will send our 46th and 47th teams to Puerto Rico, to rebuild after Hurricanes Maria and Fiona. Half of one team will be folks from Hartford, the rest from parishes in Maryland and North Carolina. Two people from Hartford found the mission so impactful that they will return for second and third trips in six months!

The pandemic has greatly impacted our food security program. Ours is the only site in greater Hartford that serves food 365 days a year and since May, our numbers have doubled. Last month, we fed over

2,000 people. Inflation has affected families on fixed incomes, and our pocketbook as well. Besides providing twice as much food, our costs have risen, not only for the sandwich ministry, but the food we provide to the House of Bread for those days our volunteers serve. Our food costs are 67% over the budget. Amid this crunch we have seen our volunteers rise to the challenge of doing twice as much work. As a sign of hope, a group named "Bread Warriors" brings new meaning to the words, "Give us this day our daily bread", which they do faithfully with frequent bread donations. We are entering a partnership with Hands on Hartford to work together to keep people housed. We are very excited about this new venture, as their staff and resources will be a major asset in serving those who come to us at risk for homelessness.

Our partnership with Levo International has borne much fruit this past season. Not only did many of our folks purchase Community Supported Agriculture shares that assist immigrant urban "farmers", many of our volunteers constructed hydroponic systems, planted seeds, harvested produce and, in the process, connected with fellow parishioners.

Our membership in the Greater Hartford Interfaith Action Alliance (GHIAA) also bore much fruit last year, changing the lives of over 300,000 families in CT by organizing to pass Clean Slate legislation. This year we held many house meetings, listening to the concerns of our people. Responding to the results of those meetings, GHIAA is developing concrete legislation to improve schools, decrease gun violence, provide more affordable housing, address environmental racism and the mental health crisis that affects many young people. Next month, we will share the specifics of these proposals that some of our people have helped develop. We will ask you to consider advocating for these proposals during the next legislative session as we seek to respond to the concerns of our people.

Pope Francis urges us to move outside our doors to join others in being the hearts and hands of Christ where we are planted. The ministries described above are some of the ways the Franciscan Center attempts to answer that call. By serving together and building community, we can rise to the challenges of a world rocked by this pandemic and in the process rebuild our post-pandemic church in mission.

Peace,

Mike, ofm.

Current Volunteer Opportunities at St. Patrick – St. Anthony Church and the Franciscan Center

If you're looking for a specific way you can get involved, here is a list of current needs we have. Can you share your gifts? Please: [CLICK Here](#) for more information.

Remote Volunteer Opportunity!

SPSA's Volunteer Ministry needs folks who can assist our ministry coordinators with technological/administrative tasks related to their ministries. This work can be done 100% remotely. Comfortable proficiency in Google workspace, Zoom and Microsoft Office is necessary.

Altar Servers Needed!

ALTAR SERVERS NEEDED No experience is necessary – we will train you. You can choose which Masses and how often you serve. Have you ever considered serving as a parent /child ministry? This could be a great experience for a parent and child to serve during Mass together. Please contact Deb Pelletier at dpelletier@spsact.org for more information.

Livestream Camera Operator

Have you ever wondered what it takes to stream one of our Masses? We have dedicated volunteers who cover each Mass, but one is graduating from high school! We are in search of someone who can come to Mass 15 minutes before starting time, stream the Mass from our control room, and put the equipment away.

Volunteer with our Partner Organizations

St. Patrick – St. Anthony and the Franciscan Center for Urban Ministry partner with many local organizations to help people in the Hartford community. [CLICK Here](#) to find out more about potential volunteer opportunities.

Did You Know...

- You can drop off snack donations at any time the office is open. Just ring the bell and bring in your donation of individually wrapped snacks that we will use to combine with other snacks into a "Snack Pack" baggie to be handed out with sandwiches daily. Thank you for your generosity!
- We have a connection with the Newman Center at Trinity College. Fr. Bill is currently celebrating Mass at Trinity once per month for the students. We have also invited the students to attend Mass here and are looking at more ways to invite involvement with the parish community.

CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

Please be generous in this week's second collection for the Catholic Campaign for Human Development. In the United States, more than 11% of the population lives in poverty. With this collection, you support programs that address the root causes of poverty and provide a sustainable future for those struggling across the country. In addition, 25% of the funds we collect remain in our archdiocese to fund local anti-poverty projects. Please prayerfully consider how you can support this collection and support those working on the margins. More information about CCHD can be obtained at www.usccb.org/cchd. We are also able to help more than 130 local organizations across our Archdiocese through the Vicariate Outreach Program of the Archbishop's Annual Appeal with food, shelter, medical and pastoral services, educational programs and so much more.

Thanksgiving Prayer

O God, ever good and merciful, look graciously upon us as we celebrate Thanksgiving Day. Our nation has been richly blessed, and we thank You for the necessities of life that so many of us enjoy in abundance. May we never take these gifts for granted or forget that they come from You, the Creator and Author of Life.

We pray for those among us who suffer as a result of material, spiritual, or moral poverty. Enkindle in us a greater charity toward our neighbor in need and help us as a people to build a more just and peaceful society and world. We pray in a special way for those who are suffering, or are in any need, because of the lingering effects of the pandemic. Thank you, Father, for all Your blessings, in the Name of Christ Our Lord. Amen.

A Frog Hollow Childhood: A Memoir of Hartford by Lynn Davis

Once a child's fun included an interaction with its environment. Davis writes of a time before technology and computers took over. She recreates a nostalgic reminiscence of the 1940s and 1950s for those who lived in them and introduces the times to those who didn't.
