Our first week with our new system went smoothly. Thank you for your patience as we continue to navigate the waters of our new system. We will continue to reassess how to make the process easier. Reminder, you must be a registered parishioner who actively participates in parish life to receive a key card. The Pastor's Corner

January 22, 2023

Dear Parishioners and Friends,

This weekend, as we observe the annual Sunday of the Word of God, a reproduction of the Bible of Borso d'Este is on display in front of the ambo. This Bible is one of the most notable illuminated manuscripts of the Renaissance. It was created between 1455 and 1461 by a team of artists for Borso d'Este (1413-1471, the Duke of Ferrara and Modena. Currently housed in the Modena library, every page of the Bible is decorated with an elegant border of scrolls and other ornaments, surrounding two columns of texts. The margins contain various Biblical scenes often depicting a passage of Scripture found on that page. Scenes are also depicted between the columns of text, usually next to the capital or illuminated letters. It is a magnificent presentation of the Word of God!

The Bible is opened to the beginning of the Gospel of Matthew ("Incipit Evangelium secundum Mattheum"). The highly decorated border features images of animals and birds as well as the Nativity of Jesus. A portrait image of Matthew sitting at a writing desk is in the

central part of the page. On the right side, the bottom border shows John the Baptist preaching to the people. The original hand-written text in Latin has been replaced in this reproduction with an English translation of the King James Version of the Bible.

When he established the Sunday of the Word of God in 1919, Pope Francis hoped that the Sacred Scriptures of our faith would become more deeply rooted in the lives of Catholics. *Lectio divina*, a practice that has become popular in recent years, is one way of helping us to hear or read the Scriptures and make them part of our daily lives.

The Friars here at St. Patrick-St. Anthony practice it every Tuesday morning by reading and reflecting on the Gospel for the upcoming Sunday. We do this in the context of Morning Prayer. In whatever manner you choose, try to spend time each week with God's word and allow it to become part of your daily experiences. Borrowing St. Augustine's phrase, may the "ever ancient" Word be "ever new!"

Moving on, I'd like to inform you that, at the December meeting of our Parish Finance Council, the decision was made to reinstate special collections to help us close some gaps in our operating budget. As I've mentioned previously, we end each fiscal year with a gap of approximately \$200,000 which we cover by a withdrawal from our investment account. While it has been a standard practice to do so for a number of years, I feel that we should do so with caution. I also believe that we should try, as best as possible, to use the funds that you so generously give each week wisely. However, certain expenses can't be avoided. For example, heating the church during the cold weather season is quite costly. This past December, the bill for steam was over \$7,000. The cost of air conditioning in the summer is just as expensive. In addition, because of the age of our church, ongoing repairs are also necessary.

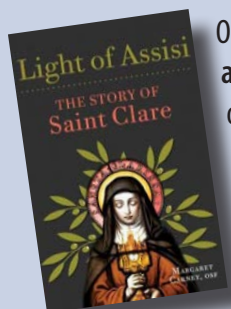

In light of all this, we will begin to take a second collection (most likely on the first Sunday of the month) to help defray some of these expenses. So, on the weekend of February 11-12, there will be a second collection for the heating of the church.

Finally, I am grateful for your patience as we begin to use the gates of our parking lot once again. It has certainly had its ups and downs – and last weekend's traffic tie-ups didn't help – but I am hopeful that things will go more smoothly over the next several weeks. Also, active parishioners who use the parking lot regularly are eligible to receive a key card that will let you in and out of the parking lot without having to take a ticket. More information is available elsewhere in this bulletin. The parking lot is a necessary source of funding for us, and we want to use it to our best advantage. But I also want to make it as easy for you to use as possible, so I hope the key cards will be a helpful part of the solution.

Blessings on your week ahead!

Pilgrimage with Clare

On Tuesday evenings, **January 31, February 7, 14, 21 & 28, from 7:00 to 8:00 PM** on Zoom, we will explore the life of Clare of Assisi and Clare's impact upon the Franciscan order. Author, Sr. Margaret Carney, OSF, former President of St. Bonaventure University (2004-2016), will join us virtually to commence our

"Pilgrimage with Clare" sharing from modern scholarship and offering insights into the life and leadership of Clare. Sr. Margaret will then be present virtually in our last gathering to further our conversation and discovery about certain lessons: how important women are to the Franciscan story AND how Clare was the recipient of a powerful charism of her own. We are delighted that Sr. Margaret can join us on this journey to introduce St. Clare to those who do not know her and to deepen the encounter with Clare for those who wish to know her better. Prayer Shawl Ministry

Calling all who knit or crochet and those who would like to learn these art forms. You are invited to contribute your time and talent to the Prayer Shawl Ministry at St. Patrick - St. Anthony Church.

If the winter blues threaten to dampen your spirits ~ please consider attending our gatherings for enjoyable storytelling and ministry knitted together!

Our virtual monthly meetings take place on Mondays from 7:00 to 8:00 PM on February 13, March 13, April 10, May 8, & June 12.

Our in-person monthly meetings take place on Thursdays from 10:30 AM to 12:00 PM on January 26, February 23, March 30, April 27, May 25 & June 29

We are in need of new people to join us in this prayerful and rewarding ministry. For the past 12 months, the Prayer Shawl Ministers have been gathering both virtually and in-person for our bi-monthly meetings! And, yes, you can * learn * how to knit or crochet through Zoom. Taproot: Every Wednesday during the day, from 11:00 AM - 12:00 PM. gather with others for weekly inspiration using experiences from your daily life. *Return to the Root: Reflections on the Inner Life*, "aims to strengthen your inner rootedness, to draw forth that loving nourishment contained in...your deepest self", states the author Joyce Rupp. Full of thoughtful insights, poetry, and prayer, weekly reflections are grouped by month. Tap into this **"Taproot"** gathering available to you every Wednesday morning ~ attend when your schedule allows to receive the gifts of spiritual nourishment and growth. Facilitator: Pat Curtis. Praying With Sacred Scripture: Please consider joining us on the 2nd and 4th Wednesdays of each month from 7:00 to 8:00 pm in-person for "lectio divina" (divine reading.) It is a prayerful reading of a bible passage in order to discern its message for each of us today. We have found that meeting in person gives the experience greater intimacy and impact. If you haven't tried it yet, please do! The process is simple and will be explained each time, and sharing is welcome, but optional. **Next meeting: January 25, 2023.**
Co-facilitators: Sheila Denion and John Lemega

Ministry of Liturgical Hospitality

We are seeking additional volunteers for our ministry of liturgical hospitality at the 5:00 PM Mass. Our sacristans, whom you see near the entrance of the church every weekend, are a small but mighty team who could use a week off now and then. Sacristans extend hospitality each week by opening the church, helping to prepare the sanctuary for Mass, greeting parishioners as they arrive, supervising the collection, and helping to clean up and secure the church after the Mass. This collection of tasks can be accomplished in pairs or by a small team. If you're a regular at 5:00 PM, and some of these tasks speak to your gifts and talents, please contact our Director of Volunteer Ministry, [Allison Holst-Grubbe](#).

Clare Gallery 20th Anniversary Year New Exhibition: A Suspension of Perception

January 12 to March 12, 2023.

Come and enjoy large-scale photographs by **Christine Breslin**, a National Endowment for the Arts recipient and longtime Hartford, Connecticut, photographer and educator. Breslin's images focus their attention on migrants and immigrants from areas south of our country's border. Her work asks us to look and listen to her subjects' stories. More importantly, it challenges us to reflect on our own understanding of collective humanity—who we are, where we come from, what we choose to do with our lives, and how we can help each other. Breslin wishes her audience to slow down and “suspend” their preconceived perceptions of others, trusting in the dignity of being human together.

There will be a virtual panel discussion on **Tuesday, February 7, 2023 from 7:00 to 8:30 PM held via Zoom**. Panelists include: **Christine Breslin**, artist; **Fr. Julian Jagudillo, O.F.M.**, director of The Migrant Center of the Church of St. Francis of Assisi in New York City; **Sister Norma Pimentel, MJ**, executive director of Catholic Charities of the Rio Grande Valley and the Humanitarian Respite Center in McAllen, Texas, and **Catherine Cole**, executive director and Valerie Carlisle, board member of Grannies Respond. The panel will be moderated by **Nancy Wynn**, Clare Gallery Committee chair and associate professor and chair of the Department of Visual and Performing Arts at Merrimack College. January is Human Trafficking Prevention Month

Child trafficking cases continue to rise. Trafficking can involve school-age youth, particularly those made vulnerable by challenging family situations, and can take a variety of forms including forced labor, domestic servitude, and commercial sexual exploitation. The children at risk are not just high school students—pimps or traffickers are known to prey on victims as young as 9. Traffickers may target minor victims through social media websites, telephone chat-lines, after-school programs, at shopping malls and bus depots, in clubs, or through friends or acquaintances who recruit students on school campuses. Learn the warning signs at <http://www.catholicsocialjustice.org/human-trafficking.html>

Once a child's fun included an interaction with its environment. Davis writes of a time before technology and computers took over. She recreates a nostalgic reminiscence of the 1940s and 1950s for those who lived in them and introduces the times to those who didn't.
