And the woman’s daughter was healed from that hour.

# The Pastor's Corner

August 20, 2023

Dear Parishioners and Friends,

You wouldn't think that a simple trip to the beach for a week would result in having a "bucket list" moment, but it did. Allow me to explain.

Did you know that Atlantic City is home to the world's largest pipe organ? It is a monumental musical instrument built in the Auditorium of the Convention Hall, Atlantic City, New Jersey, between 1929 and 1932 at the height of the Great Depression. Designed by New Jersey State Senator Emerson L. Richards, this extraordinary instrument has 449 ranks and more than 33,000 pipes. Its eight chambers of pipes are arranged in a "surround-sound" configuration inside one of the largest interior spaces ever created.

For organists and lovers of the pipe organ, Atlantic City and its gigantic musical monument are something of a pilgrimage destination. I've known about the organ for years; I have a very detailed and technical 500-page book about it. I've seen plenty of YouTube videos about it, but I've never seen or heard it in person. Until Wednesday, August 9th.

I reserved a spot in the Curator's Tour of the organ, which guides visitors through two of the largest pipe chambers ever built, as well as an in-house pipe organ shop which has been in use since the organ was first constructed. During the two-hour tour we saw pipes three feet wide and over 30 feet tall. Some are even double that height, and they make a very loud racket, indeed! At the end of the tour, a daily half-hour recital was played.

The organ might be the largest in the world, but it has suffered a great deal during its lifetime – from hurricanes and floods to clumsy construction workers and neglect. But it is currently being restored to its former glory when it once accompanied 41,000 audience members in singalongs and the National Anthem.

In the photo at the bottom of the left column, the two pipe chambers can be seen to the left and right of the stage. There are several more pipe chambers on the left and right sides of the auditorium as well as in the ceiling. The console (keyboards) of the organ can be seen (barely) on the right side of the stage. Here is a selfie of yours truly in front of the mammoth

console with its hundreds of stop tablets and seven keyboards.

No, I didn't get to play the organ, and I would have been terrified to even try! The organ represents a time and place when music was at the heart of civic life, when the only music one could listen to was performed live, and audiences didn't just sit passively and listen; they took part in the music-making experience.

---

On another note, a parishioner asked me recently about when the people are to stand when the presider says "Pray, brothers and sisters..." at the end of the preparation of the gifts during Mass. The Roman Missal says, "The people *rise* and reply: 'May the Lord accept the sacrifice...'" So, the proper time is when the response begins; however, I often gesture the assembly to stand as I say "Pray, brothers and sisters." The point is that when we pray as a community we should be standing, not sitting. We could also see this moment as a longer form of "Let us pray," with the usual custom of standing. I realize that this might take some getting used to, but in the meantime we will do the best we can!

Blessings on your week ahead!

## Mission Co-Op: Little Sisters of Mary Immaculate of Gulu: 2nd Collection on August 20, 2023

Who we are: The Little Sisters of Mary Immaculate of Gulu (LSMIG) is an indigenous Congregation of Catholic Sisters founded in 1936 in the Archdiocese of Gulu in Northern Uganda (East Africa).

Our Mission: The mission of the LSMIG is to witness the love of Jesus Christ to the most vulnerable, especially women, children, youth and the aged. The LSMIG live their mission through: Catholic education, health, pastoral and social services to the poor and the most vulnerable in the society.

Our Strategy: to break the cycle of pregnancy among youth. As Catholic Sisters, we have devised two strategies to break the cycle of sexual violence, early marriage and child motherhood in the refugee & internally displaced peoples camps and the host community:

1. Catholic community sensitization against sexual violence, early marriage through safe home visits, local radio station programs and youth mobilization.

2. A stigma free Catholic education environment that empowers the child mothers to gain self confidence and to fight for their right to a violence free society.

We kindly invite you through your Pastor and Parish to kindly consider:

- financial support for the mission of the Little Sisters of Mary Immaculate of Gulu towards child mothers in the refugee and the internally displaced peoples camps in northern Uganda. You can make your gift in cash or check to your Parish for the LSMIG.
- Keeping the LSMIG and the mission to the child mothers and the refugees in your prayers.

## Transformational Hospitality and Kindness

**New Date: Tuesday, September 12, 7:00 to 8:15 PM.**

We have an opportunity, as a parish, to participate in viewing a 30-minute Oscar-nominated documentary entitled **"Stranger at the Gate"** which was produced by Josh Seftel. This documentary is highly acclaimed, and is about an ex-Marine who fought in Afghanistan, was injured, was discharged from the military, and ultimately came home to restart his life... a life that was clouded with PTSD. Where he settled to start his life with his new family, there was a very large Muslim population... a population he had grown to hate in his time in Afghanistan. This hatred continued to grow in him as he moved through day-to-day life. And, his hatred for this group began to shape a hate crime he planned to execute.

**What is striking about this story is how the power of hospitality totally changed the outcome, and how he himself was transformed by this love and kindness.**

Please plan to join with others in-person in the Franciscan Center on **Tuesday, September 12 starting at 7:00 p.m.** for viewing the documentary followed by conversation together. Please go to <https://bit.ly/41hVuQ8> to register ahead of time.

## Restoring Women as Ordained Deacons in the Roman Catholic Church

Our Women of Hope Ministry invites you to a two-part exploration into one of the significant developments from Pope Francis' Synod. Throughout 2023, the Synod continental reports revealed a growing global voice from the People of God asking the Church to advocate for women's participation as deacons. We present these two evening opportunities to gather to look closely at the role of deacon along with raising up the remarkable lives of our female faith ancestors who led the way in the early Church and who continue to provide inspiration for us today. Please join us for one or both sessions in the church and through livestream. Register for one or both of these sessions by going to: <https://tinyurl.com/SPSA-WomenDeaconProgram-Reg> or scanning the QR Code below.

### "So, What Does a Deacon Do?"

**Tuesday, September 19, 6:30-8:00 PM**

In our recent history at SPSA, we have not had a deacon serve our parish. This experiential demonstration of the diaconal ministries of Liturgy, Word, and Service will help us learn about a deacon's role and functions in a faith

community. Join us in church for a narrated walk-through and discussion which will inform and expand our understanding of how any one among us can authentically be called to serve as a deacon.

### "Leading Us Forward in Faith"

**Tuesday, September 26, 6:30-8:00 PM**

Ever wonder who were the women once commissioned and ordained as deacons in the Catholic Church? Join us as we explore the history of the women's diaconate and learn about some of the women who served. As we hear their names and learn their stories, may it renew the hope that we will, once again, restore women back to their ordained roles of liturgy, word, and service, as they once had in the early Church.
