## Vocation Awareness Series

### Living Our Vocation

"The will of God is the will that carries my will. God's freedom allows me to be free. To find the will of God, do not look "out there"; drill down to the deepest depths of your own will, and there you will discover the will of God." (Michael J. Himes, Doing the Truth in Love)

Powerful words! So, it begins, our discerning process many years ago, and it still goes on!

It all started back in the seventies, when our lives were turned upside down by what we believed to be a call from God. A call to sell our home, build a house with another family and live in community sharing all our belongings and working with the poor. A decision we were not making lightly, but knew we could not ignore what we were feeling. With a few friends, two priests, and two sons, we prayed, journaled and met often.

The desire consumed us. We prayed and discerned for one year. At the end of that year we knew we had to act; we just knew

### Vocation Awareness Continued...

somehow it was right. Our pastor blessed us and our Bishop, Daniel Reilly, came for dinner and blessed our new home and prayed with us. He also sent a wonderful priest to be a spiritual guide for us.

So, it was that our journey began, our Exodus story, our exile. We were selling our home, packing up and leaving all that was familiar, safe and comfortable to us. We were about to embrace what we believed was our vocation, our calling... sharing our time, talent and treasure in a simple life of service.

We were scared, we were excited, we had moments of real fear! Some of our family members were sure we had lost our minds (maybe we had!) We lost some friends that just could not understand that we had a desire to live the Gospel. We explained how we believed in Acts 2:42, a life in community, where we would share our belongings as we tried to live the Gospel and reach out to those on the margins. To be a witness. And as Catherine de Hueck Doherty says in her book The Gospel without Compromise, "To be a witness means simply to live in such a way that one's life would not make sense if God did not exist."

Time moved on; we loved our church and stayed close. We were introduced to the secular Franciscans, third order. Once again, we felt our Lord was speaking to us. St. Francis had always been a part of us so we listened. After two years of formation we made our solemn promise before our Lord and our Church to live simply and follow the Rule of St. Francis; to serve and always work to rebuild our Church, together with our Fraternity.

The Rule of St. Francis for Seculars strengthens us to live the life we had been called to live. It gives us a place in the Church we love. There is a real joy in the depth of my heart. This is not to say there has not been a share of doubt, struggle, grief, betrayal... and questions at times. Some people, especially in our Church, were not always welcoming.

But again, I will say, the joy, the hope of knowing in our hearts we were trying to live out our vocation was enough. And, of course, our Lord always sent others to stand with us.

"You will know your vocation by the joy that it brings you. You will know. You will know when it is right." (Dorothy Day)

## The Pastor's Corner

July 28, 2024

Dear Parishioners and Friends,

It's been a busy summer at St. Patrick-St. Anthony, with several repair projects taking place all at once. These include ongoing work on the air conditioning systems in the church and Franciscan Center, repaving the alley behind the church, and creating a new garden area where our venerable Golden Rain Tree once stood.

In its place, we now have an Atlas Cedar which we will bless and dedicate this Sunday after the 5:00 PM Mass in memory of our late Director of Maintenance, Orville

Russell, who died a little over one year ago. Orville would have turned 67 on Sunday.

As you can see from the photo, the new garden area incorporates the large metal cross which has moved closer to the stair wall, creating a welcoming space with a bench and a small statue of St. Anthony. The whole area has been laid with sod. Hopefully, the tree will grow strong and tall over the coming years.

Don't forget to register for "Music Under the Stars" on Saturday, August 24th – an evening of entertainment by the "Evening Serenade" Jazz Band, delicious food and drinks, and a time for us to enjoy the summer's breezes in the Friary Gardens. It promises to be a relaxing evening with good friends! Please plan to join us, so register as soon as possible.

Blessings on your week ahead!

**All are Welcome!**

## Is our Church Still Relevant Today?

Perhaps you have heard the question circulating among Catholics, *"Is our Church still relevant in our society today?"*

We propose this answer: The Church as the People of God, enlivened through our Baptism, is called to vibrant, relevant living based on Gospel values which speak words of hope and comfort to those afflicted, and words of truth and integrity to those who serve and lead.

**Please join us this summer for reflection sessions immediately following the 12:05 Mass on Wednesdays in the church:**

July 31: "Discipleship": Enriching Relationships and Growing in Holiness

August 7: "Open Hearts, Open Minds, Open Doors": Living into our Motto

If you are planning to attend one of our sessions, please consider accessing the Pre-reading Material. This can be found on our website at <https://spsact.org/anointed-for-mission-2024/>.

Together we will explore anew and reclaim this incredible gift and grace given at Baptism.

## Vocation Reflection

**"God, what do you want me to do with my life?"**

This question was almost a daily thought for me from around the age of sixteen and definitely through my college years. I grew up going to Catholic elementary and middle school, was an altar server, and stayed active in the Church through college, participating in the campus Newman Club and teaching First Reconciliation and First Communion preparation at a local parish. I attended a business school, but realized quickly that God was calling me somewhere else. I was not passionate about accounting, or marketing, or even my computer information system classes which was my major. I found myself being called to activities that worked with children. I became a part of the Service Learning Center and started serving in local elementary schools, building computer labs with old computers donated from my college. I was able to work with teachers and students, leading classes and formed a technology-focused tutoring enrichment program.

This led me to join a two-year faith-based service program, the Inner City Teaching Corps, after graduation. I began teaching sixth grade at St. Pius V school in the Pilsen neighborhood on the south side of Chicago and knew that I was in the right place. God helped me start down a path that has led me to work as teacher, administrator and now school leadership coach in Chicago, New Haven, right here in Hartford, and Springfield for over twenty years.

Along the way, I believe God was influential in leading me to interact with the Connecticut Department of Children and Families and encountering many children who were in their care. When the time came to expand our family, my husband, Tee, and I decided to explore adoption through DCF. In June of 2015, a social worker dropped Lucan off at our home and we embarked on what I believe is our most important vocation - being a father. Lucan's arrival changed my life in a number of ways - I was now responsible for the health and wellbeing of another human. It felt much different than the responsibility I felt for my students over the years. When his little sister, Bella, joined us a few months later, at first temporarily due to an emergency placement, our world was upended again. Amidst the chaos, though, it all felt right. God was leading me to form the family I was supposed to have, maybe not in the way I originally thought, but in a way that has been fulfilling, instructive, and enriching.

I now know the answer to that question I asked myself long ago. . . "God, what do you want me to do with my life?" "Be a dad, teach, help children." - Dominic Basile-Vaughan

### Group Spiritual Reflection:

Tuesday: July 30, 2024, on Zoom at 12:30 PM

Wednesday: In-person will resume in September.

### We invite all to join the following programs in September:

In Quiet Prayer, People of Hope, Praying with Sacred Scripture.

Through our 20-year relationship with our Sister Parish of St. Genevieve, SPSA has been blessed to build friendships with the pastors, teachers and parishioners, and learn more about their personal, parish and school lives. The generosity and hard work of parishioners, friars and staff have enabled this successful covenant.

At present, our donations provide:

- Education for over 200 students in Pre-school through Grade 9;
- 19 Teacher salaries for 12 months/year;
- 5 Staff salaries (cooks and admin personnel);
- Food and fuel for school lunches;
- School supplies;
- Repair desks & chairs;
- Food for several impoverished elderly, from Pastor Gaby.

Our donations and their disbursement remain secure, through our long-standing association with an established, international financial institution, with offices in Haiti and the USA. If you would like more information, please see a member of the Sister Parish committee.

In the future, we:

- Will consider providing some basic health supplies, since we are in discussions now with Pastor Gaby about this need at St. Genevieve;
- Potentially revive our yearly celebration, the "Taste of Haiti" with food, fun and fellowship;
- Publish periodic updates in the bulletin and on-line;
- Renew our covenant with SPSA's continued love, prayers and financial contributions.

Everyone is invited to "listen-in" to one of our monthly Sister Parish Zoom meetings; a link will be provided in our next message.

## Archdiocese Mission Co-Op Collection

### August 3/4

The second collection on August 3 & 4 will be for the Mission co-op. This year we are partnering with The Catholic diocese of Pathanamthitta in southern India. You can donate by going to <https://tinyurl.com/missioncoopSPSA> or scanning the QR code.

### Catholic Diocese of Pathanamthitta Appeal

The Catholic Diocese of Pathanamthitta was established in March 2010 and is one of the newest dioceses in the church. It lies at the southernmost part of India. As we are in the initial stage, we are making every effort to build this diocese up both spiritually and temporally. We try to give the gospel of our Lord to the 45,000 faithful of the diocese and 1,500,000 inhabitants of the county of Pathanamthitta. The diocese currently has one hundred parish/mission stations and 120 priests.

Our ministries: The care and well-being of the marginalized of society by providing homes run by the diocese for the mentally and physically challenged; providing help with food insecurities and social services; and working to provide housing for everyone living within the territory of the diocese by providing funds for new construction, renovation or the purchase of land and for new construction on that land.

One of the most urgent needs of the diocese is to promote vocations to priesthood and religious life which will in turn contribute to the overall development of the region. The diocese has to meet all the expenses of seminarians during their formation as most of their families are not in a position to do so.

We envision the return of the mission preaching, to be used for supporting the seminary formation of our candidates for priesthood and for helping the poor people in our area. Whatever financial support you could extend to this cause will be deeply appreciated.

### Archbishop's Annual Appeal Donations as of 7/23/2024

Parish Goal: \$115,000.00
