The Pastor's Corner

February 8, 2026

Dear Parishioners and Friends,

Recently, the Provincial Minister of Our Lady of Guadalupe Province, Fr. Larry Hayes, O.F.M., emailed to all the friars of the province a letter, a portion of which I wish to share with you here:

"Pope Leo XIV has designated 2026 as the Jubilee Year of St. Francis as the Church honors the 800th anniversary of the death of the Poverello. For Franciscans of every age and place and denomination, the designation of this Jubilee Year calls us to celebration, renewal, and bold proclamation of the virtues exemplified by St. Francis: gentleness toward and solidarity with those on the margins of society, respect for each individual, reverence toward creation, and zeal in the service of reconciliation and peace. As the Definitory of the Province of Our Lady of Guadalupe, we ask you to consider the following:

- We believe individuals and families are best served by a well-ordered society, and so we uphold the rule of law and the right of nations to control their own borders. At the same time, we uphold the Catholic Church's position that people have an inalienable right to emigrate whenever their human dignity or safety are at risk.
- We stand with Pope Leo XIV and those Catholic bishops who have spoken against mass deportations, dehumanizing language, terroristic misuse of violence, and the general disregard for human dignity and Christian charity.
- As Franciscans reflect on the signs of the times and the events in our country and throughout the world, we diligently attempt to discern how God is calling us to respond with the challenging demands and the healing balm of the Gospel and our unique charism.
- To fail to speak or act in accord with our values may rightly open us to accusations of being apathetic toward the plight of the marginalized. Silence could brand us as being complicit with or even in favor of actions and language which violate human dignity and human rights."

I am grateful for Fr. Larry's thoughtful message to us. A few weeks ago, at our weekly staff meeting, I initiated a discussion about how I had been feeling in the aftermath of the shooting death of Renee

Good on January 7th by an ICE officer in Minneapolis. That incident was followed by the detention of five-year-old Liam Conejo Ramos, and his father on January 20th. Who will ever forget the photo of the boy in a blue knit cap and a backpack caught up in a moment no one would have ever thought could happen today? Fortunately he and his father were released last weekend. Tragically, another fatal shooting occurred on Saturday, January 24th as Alex Pretti, a nurse at a VA hospital, was brutally shot multiple times.

I doubt any of us know what the future holds for us and our country. Yes, we certainly need to find a way to deal justly and humanely with the issue of immigration, and we are not the only country trying to find the right solution to this worldwide question. Wars and violence across the globe have created a humanitarian disaster of epic proportions to which there are no simple answers.

I am also grateful that our religious leaders, from Pope Leo to the members of the United States Conference of Catholic Bishops, to our own Franciscan leaders, have spoken out forcefully on behalf of those who are being unjustly victimized by our government.

We may agree or disagree, but we must find a way forward because we are in a very perilous moment in our history. As I mentioned a few weeks ago, I am somewhat reticent about how we can 'celebrate' the 250th anniversary of our nation's independence when we might not have anything to actually celebrate. But the people of Minneapolis have shown us that with courage and unity, change can happen, and good can arise even from the evil of inhumanity.

As Archbishop Bernard Hebda of Minneapolis stated: "While we rightly thirst for God's justice and hunger for his peace, this will not be achieved until we are able to rid our hearts of the hatreds and prejudices that prevent us from seeing each other as brothers and sisters created in the image and likeness of God. That is as true for our undocumented neighbors as it is for our elected officials and for the men and women who have the unenviable responsibility of enforcing our laws. They all need our humble prayers."

Lenten Rosary

Thursdays in Lent, February 19 & 26 and March 5, 12, 19 & 26
8:00 to 8:30 PM on Zoom

The advice of my late mother Doris Curtis for any matter of great concern or worry was to “put it in the hands of the Blessed Mother”. This practice was at the core of my Mom’s spirituality ~ it was how she lived her life. I find myself hearing her words clearly now during these days of turmoil

and uncertainty for our families, country and our global reality.

If you desire to be part of a communal devotional practice of praying the rosary, would you please join us this Lent on Thursday nights? We will gather on Zoom for a half hour of prayer together.

Facilitators: John McDonagh, Stacie Mawson & Pat Curtis
Please go to <https://tinyurl.com/SPSACT-Lenten-Rosary-2026> to receive the Zoom Link.

Become A Witness at the Cross

Tuesdays, February 24, March 3 & 10
7:00-8:15 PM on Zoom

We will seek a richer understanding of the characters who the Gospels tell us were witnesses to the Crucifixion as we consider Dr. Amy-Jill Levine’s book, *Witness at the Cross*. Together we will prepare for a deeper encounter with Good Friday. We will consider the experience from the perspective of Mary; the Beloved Disciple; Mary Magdalene and the women from Galilee; the two thieves crucified with Jesus; the centurion and soldiers; Joseph of Arimathea and Nicodemus. Stepping into the story in these different roles, we will learn that each Gospel has its own story to tell, all the witnesses have their own memories, and each one of us comes away with a new insight. We will be transformed.

Facilitator: Pat Curtis. Free Will Offering

Register at <https://tinyurl.com/SPSACT-Witness-Cross-2026> to receive the Zoom link.

In the Footsteps of a Pilgrim

Thursday, March 5, 2026 from 6:30 to 8:00 PM

In 2011, the movie “The Way” with Martin Sheen introduced many to Camino de Santiago – The Way of St. James, a trek dating back to the Middle Ages, that stretches 800 km (500 miles) across Spain. Each year, a half million “pilgrims” venture out along one of seven routes, each of which ends at the tomb of St. James in Santiago de Compostela, Spain.

But what is this “pilgrimage” – a spiritual journey, a physical journey, or an ordinary walk with strangers?

Please join recent “pilgrim” Sr. Patty Moriarty, RSM for an evening of prayer and storytelling that will attempt to answer these questions.

Go to <https://tinyurl.com/SPSA-Camino-2026> to register.

Presenter: Sr. Patty Moriarty, RSM has been a member of the Sisters of Mercy of the Americas since 1988. She has served as both a teacher and administrator at Mercy High School, Incorporation Minister for the community, and a Leadership Team Member of the Sisters of Mercy.

Free Will Offering can be made payable to “St. Patrick-St. Anthony Church” and mailed to 285 Church Street, Hartford, CT 06103, Attn. Pat Curtis OR go to <https://osvhub.com/spsact/giving/funds/adult-faith-formation> to give online. Please note the program name in the Memo.

Consider Joining The Music Ministry

The Music Ministry program at St. Patrick- St. Anthony church is well known in the area (and beyond) for its long-standing tradition of truly meaningful repertoire, presented at an exceptional degree of quality. And NOW is the time for YOU to contribute and be part of that!!

The Music Ministry relies heavily on its choral (singing) groups:

- **Gallery Choir:** A group of mixed voices (Soprano, Alto, Tenor, Bass), which rehearses on Wednesday evenings (7-9PM), and primarily participates at the 10AM Mass on Sundays
- **Bass Clef Choir:** A group of lower voices (Bass and Tenor), which rehearses on Mondays (6:30 - 7:45PM), and participates primarily at the 5PM Mass every other Sunday.
- **Treble Clef Choir:** A group of upper voices (Soprano and Alto), which rehearses on Wednesdays (5:30 - 6:45PM), and participates primarily at the 5PM Mass every other Sunday.

All choirs are always open to new members.

At this point, the Bass Clef Choir can REALLY benefit from new members joining in. Is that gonna be you!? YES! Yes It can.

Yes, the choirs aim for high quality repertoire, and yes, it helps to know how to read music. But don't let that scare you! That is not a requirement! We strive to be welcoming to everyone (!), regardless of prior knowledge or background. All we need is a positive attitude and eagerness to blend our voices, to better praise our God in Beauty and Unity.

Send David an Email should you wish to inquire about participating in any of the choral groups, or with any questions you may have: dgarriodicid@spsact.org.
